SUMMARY

Enthusiastic and detail-oriented front-end developer with strong skills in HTML, CSS, Wordpress, and bootstrap. Passionate about building responsive, user-friendly websites and committed to continuous learning. Looking for an opportunity to contribute and grow as part of a web designing team.

TECHNICAL SKILLS

Front-end : HTML5, CSS3, Wordpress

Frameworks & Libraries: Bootstrap

Tools : Github , VS code, Chrome Developer Tools

WORK EXPERIENCE

Intern at Jemistry Info Solutions LLP

Jan 2023 - July 2023

PROJECT'S

Portfolio |html,css

- The Responsive Portfolio Website is a personal project showcasing my skills, experience, and projects. Designed with a modern, clean aesthetic, the website is fully responsive and optimized for seamless viewing on various devices.

Beauty Spot | html,css

- The Beauty Spot Salon website is a responsive and visually appealing platform designed to showcase the salon's services, promotions, and contact information. The goal of the project was to create an engaging and professional online presence for the salon, ensuring a seamless user experience across all devices.
